Do you want me to set this up as a notification – even though it's not a required notification? Or just put a copy in ADAMS and the docket file?

Region IV;

PIKA is conducting a broker run at Pine Bluff Arsenal, in Pine Bluff, Arkansas between July 7 and July 29, 2016. We will be packaging radioactive waste (Am-241) for shipment to the recycling center at Wright-Patterson Air Force Base, Ohio.

Although this is routine waste brokering, not requiring pre-notification under Condition 15 of license 42-27787-01, I am providing a courtesy notification. Please contact me if you would like more information.
