Nina,

Thank you again for taking the time to speak with me this morning and answer my FOIA process-related questions. As we discussed, I would like to obtain copies of the documents produced in response to the following FOIA requests:

All University of Tulsa's (TU) north Campus field inspections, quality control reports, and nonconforming items reports concerning, and Materials and Equipment Inspection of TRACERCO and TU's North Campus, and Audits of TRACERCO and TU's North Campus done by the National Council on Radiation, January 2014 to present	FOIA/PA-2016-0526
"Copies of records relating to Johnson Matthey, Inc., d/b/a Tracerco ("Tracerco"), from January 1, 2011 to the present"	FOIA/PA-2016-0576

I understand that FOIA/PA-2016-0526 has been closed, and that FOIA/PA-2016-0576 is currently on hold.

You're welcome to send me the documents either by e-mail or on a CD. Please let me know in advance if there are any production and/or shipping charges.

Best regards,
