Subject: NextEra – Seabrook ASR-Related Questions **[2016-SST-0548]**

Dear Ms. Grinnell,

I received your emails to me dated July 21, 2016, and I am writing to acknowledge their receipt. Your emails have been entered into ADAMS and will become a public record (ML16207A078 and ML16207A087) shortly. Once public, your incoming email can be located by searching for accession number (ML#) at the following internet address: <http://www.nrc.gov/reading-rm/adams.html>.

We appreciate your questions. I have compiled questions from the following emails received from you since June 2016 into one list. These were emails to: Mr. Mel Gray (ML16187A130); Ms. Angela Buford (ML16193A376); Mr. John Lamb (ML16197A002); and, Mr. Fred Bower (ML16202A105, ML16202A113, ML16207A078 and ML16207A087).

I am currently coordinating with staff in the NRC's Region I and Headquarters offices to provide you with a consolidated response. We will respond to your list questions when we are able and likely within 30 -60 days. In addition to responding to you directly, we plan to file our response to you in ADAMS and make it publically available.

Thank you for the opportunity to respond.

Sincerely,

Fred Bower

USNRC Region I Branch Chief with Oversight Responsibility for Salem, Hope Creek and Seabrook
