CONTROL NO. 590643

Dear Mr. Tamburro:

This refers to your letter dated July 14, 2016, stating that the indirect transfer of your license has been completed as approved in our letter dated May 25, 2016. This transfer did not result in any change to the licensed name, location of use, materials, persons using licensed material, or persons responsible for radiation safety at the licensed facility, and therefore does not require a license amendment.

Thank you for your cooperation in this matter.

Sincerely,
