SUBJECT: CORRECTED COPY OF AMENDMENT NO. 01, NRC LICENSE NO. 26-27699-01

Please find enclosed a corrected copy of Amendment No. 01 to NRC License No. 26-27699-01, changing the expiration date to August 31, 2021. We noted that the expiration date on your renewed license issued August 10, 2011 was not correct during an audit of your docket file. We have also updated the format of your license so it does not resemble the August 20, 2011 version. Even though the terms and conditions of your license were not changed, please review this license carefully and be sure that you understand all conditions. You can contact me at 817-200-1455 if you have any questions about this license.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,

/RA/
