Hello,

I am a research assistant at the National Security Archive, and have a FOIA request that has gone unacknowledged. I wanted to follow up to see if the request, or your response, has just been lost in translation.

The request is for:

- The memo or directive establishing the NRC's Cyber Security Directorate
- The charter for the directorate (if it is different from the memo or directive)
- An organization chart for the directorate

Archive Case Number: 20160356NRC002-Requested on 06/06/2016

Any information you have regarding this request would be helpful.

Thanks,
Jennifer Rimer
