Re: Uranium Reduction Co.
Contract No. AT (05-1)-266

Dear Mr. Johnson:

Utex Exploration Company has contracted to supply certain ore to Uranium Reduction Co. in connection with the captioned contract. In view of this arrangement Uranium Reduction and First Security of Utah, N. A., a national banking association, as Trustee, have acquired certain rights with respect to mining Utex's properties, as described in App. "D" of captioned contract, in the event of default by Utex.

Consequently, it is respectfully requested that the application's of Uranium Reduction and the Trustee for a license to mine, transfer and deliver source material as aforementioned be granted.

Very truly Yours,

Utex Exploration Company
