JOINT NOTICE OF MODIFICATION OF SCHEDULE FOR WRITTEN PRESENTATIONS

The parties in the above entitled action have conferred and have reached an agreement regarding modification of the schedule of written presentations to be submitted by Marilyn Morris and Grace Sam and ENDAUM and SRIC. The purpose of this modified schedule is to allow NRC and HRI to respond to issues in a more orderly fashion by having all similar issues presented at the same time. This modified schedule will also give more order to the presentation of issues, and provide uniform filing dates for both sets of intervenors. On October 2, 1998, both sets of intervenors filed notices of their written presentations. However intervenors came up with different schedules with different filing dates and slightly different proposed content in their written presentations. This modified schedule is intended to combine these two schedules for the convenience of all parties.
