Subject: Eastern Idaho Health Services, Inc.: Deficiency Letter
Attachments: Updated Y-90 Microspheres Guidance.pdf

Docket No.: 030-32290
License No.: 11-27346-01
Control No.: 590849

This email is in reference to your letter dated April 5, 2016, requesting add 10 CFR 35.1000 Y-90 microspheres to your license, along with adding to Dr. Preece's authorized uses. Please note, the NRC has issued new guidance concerning the use of Y-90 microspheres. For your convenience, I have attached a copy of the guidance to this email. In order to continue our review of your request, we need the following additional information.

1. Please make the following commitments:

We commit to following the "Yttrium-90 Microsphere Brachytherapy Sources and Devices TheraSphere® and SIR-Spheres® Licensing Guidance" dated February 2016 in its entirety.

2. Please provide documentation detailing Dr. Preece's completed hand-on patient cases for the medical use of SIR-Spheres Y-90 microspheres under Dr. Suhocki's supervision

Please provide this information by July 29, 2016. You may fax your signed response to 817-200-1263, referencing mail control 590849. When you send the fax, you may wish to leave a voicemail or e-mail message to alert me to look for it. If you are submitting your response by email, the response must be submitted in pdf format. Please send me an e-mail or call me at 817-200-1590 if you have any questions.
