Audit Report

Independent Evaluation of NRC's Implementation of the Federal Information Security Management Act for Fiscal Year 2013

OIG -14-A-03

Status of Recommendations

Recommendation 1: Update the information in the NRC inventory for contractor systems to include missing information and to correctly classify contractor systems in accordance with CSO-PROS-2030, NRC Risk Management Framework.

Agency Response Dated
August 2, 2016:

OCIO continues to address this recommendation. OCIO has gathered the information on contractor systems and is in the process of updating the NRC system inventory.

Target Completion Date: November 30, 2016

OIG Analysis:

The proposed action meets the intent of the recommendation. This recommendation will be closed when OIG receives documentation that the inventory includes contractor systems, and that the contractor systems are correctly classified.

Status:

Resolved.
