Dear Mr. Tarver:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter dated June 30, 2016, received on July 14, 2016, in which you appealed the agency's June 10, 2016, decision related to your June 9, 2016, Freedom of Information Act (FOIA) request, FOIA/PA-2016-00516. You appealed the adequacy of the search conducted by the NRC.

Acting on your appeal, I have considered the matter and have determined that the NRC provided all records responsive to your request for all internal communications related to FOIA/PA 2016-00516.

This is the final agency decision. As set forth in the FOIA (5 U.S.C. 552(a)(4)(B)), you may seek judicial review of this decision in the district court of the United States in the district in which you reside or have your principal place of business. You may also seek judicial review in the district in which the agency's records are situated or in the District of Columbia.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a nonexclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation.

Tarver J.
