Docket No. 40-3453

March 22, 1999

SERVED MAR 23 1999

GRAND CANYON TRUST'S MOTION FOR AN EXTENSION OF TIME

Grand Canyon Trust, et al., respectfully move for an extension of time until Friday, April 2, 1999 to file a reply to the Nuclear Regulatory Commission Staff's Response to the Grand Canyon Trust, et al., Request for Hearing and Petition for Leave to Intervene. According to the Presiding Officer's Order of February 17, 1999, such reply is due by Friday, March, 25, 1999.

Although the NRC's opposition brief was filed on Friday, March 19, the brief was not served on counsel for Grand Canyon Trust by email until Monday, March 22, 1999. Moreover, the exhibits to that brief – which apparently amount to more than 100 pages of materials – have still not been received. Given the delays in receiving the NRC's filings and the fact that counsel who is handling this issue is now ill, the Grand Canyon Trust will not be able to respond by Friday, March 25.
