Dear Mr. Hockemeyer,

This refers to your letter dated June 21, 2016 requesting to amend your NRC license. In order to continue our review of your request, the following additional information is needed:

1. You requested to add Bradley Richardson R.Ph., Cheryl Cordum R.Ph., and Jacob Summer, R.Ph. to the license as authorized users (AU's). Your license currently only authorizes individuals as Authorized Nuclear Pharmacists (ANPs). This category of license may also authorize AUs if performing functions not associated with preparation and distribution of radioactive drugs. Please clarify if you are requesting the individuals be added as ANPs or AUs on your license.
 - a. If AU, please indicate the materials for which they should be authorized for.
 - b. If ANP, NUREG 1556, Volume 13, Revision 1, Section 8.7.2, provides different pathways and documentation necessary for requesting to add an ANP to a license. Although you have submitted the names and copies of licenses which name the individual, please also provide each pharmacist's license number and issuing entity.
2. The supporting documentation you submitted for Bradley Richardson, lists him on the license as Brandley Richardson, R.Ph. please confirm the correct spelling of his name.
3. Supporting documentation for Jacob Summer lists his credentials on the State of Texas license (no L05591) as Pharm.D. Your request designates his credentials as R.Ph. Please indicate, which is correct.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your request.

Please contact me if you have any questions.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.
