Re: NRC License No. 21-17630-01 (Docket No. 030-13087)
License Amendment to Update Corporate Name and Form

Dear Mr. Parker:

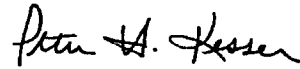

Verso Corporation ("Verso"), on behalf of its subsidiary Escanaba Paper Company (the "Licensee"), hereby submits NRC Form 313 requesting an amendment to NRC License No. 21-17630-01 (the "License") to reflect a change in the Licensee's corporate name and corporate form (Attachment 1). The Licensee will be changing from "Escanaba Paper Company" to "Verso Escanaba LLC" as reflected in Attachment 1. As part of this change, the Licensee's state of incorporation will be changed from Michigan to Delaware. The change will occur in approximately two months, when certain other approvals are obtained. We will notify you after the change has occurred.

Verso is a leading North American producer of printing papers, specialty papers, and pulp, and owns a number of paper mills across the United States. The Licensee, an indirect wholly owned subsidiary of Verso, owns and operates one of those paper mills in Escanaba, Michigan. It holds NRC License No. 21-17630-01 for the use of radiological material in connection with its manufacturing processes.

The change in the Licensee's name and corporate form will have no impact on licensed activities or the License, and will not result in a change of control over the License. See NUREG-1556, Consolidated Guidance About Materials Licenses, Vol. 15, Rev. 1, App. C, at C-5 (2016) (indicating that a change in corporate form does not result in a change in control).

Please contact our outside counsel on this matter, Amy Roma at Hogan Lovells US LLP (amy.roma@hoganlovells.com; 202-637-6831) if you have any questions regarding this notification.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter H. Kesser". The signature is written in a cursive style with a large initial "P".
