The recently issued Memorandum and Order acknowledges that it is a partial grant of the motion requesting a right to reply. There is no further need to respond to that motion.

OFFICE OF SECURITY
ADJUDICATIONS STAFF

HRI has suggested a page limit on the answers to my questions. I am inclined to impose a seven page limit on the briefs and a 30 page limit on attached documentation or affidavits. New affidavits should be double spaced and contain type of customary size. I request a response from the other parties concerning page limits. That response should be received by E-mail by all recipients of this message and by me by noon on Monday.
