Bryan,

I reviewed ML16207A516 and I agree with your opinion. There is no change affecting the operations, organization, or management control of the licensee.

Subject: Waupaca Foundry re-org - please review and advise

Hey Jared,

I have another corporate restructure and name change that I need a call on regarding change-of-control (CoC). Please see ML16207A516, for Waupaca Foundry (NRC Lic. No. 48-15031-01). If you believe it is a CoC, I need to get it posted for the 30-day public comment; however I don't think it is a CoC.

I have reviewed it and would agree that there is NO change-of-control since only existing entities are merging to form a new parent company. But I'd like your opinion on this as well - please advise.

Thanks.
Bryan
