August 10th, 2016

Agilent Field Repair Center,

SGS Accutest San Jose would like to decommission and dispose of two (2) Agilent Macro ECD detectors P/N: G1223A with serial numbers F1906 and M2389. Attached in this letter is the most recent wipe test performed on these detectors from 3/30/2016 and a quotation for the disposal of the detectors from Agilent. Please apply PO 16C2161 for the disposal costs outlined in the attached quotation. Please contact the Laboratory Director, James Rhudy, with any additional questions or concerns.

Thank you,

James Rhudy
Laboratory Director
