Subject: [External_Sender] Fukushima-related Comment for 8-11-2016
Date: Thursday, August 11, 2016 8:02:14 AM

Good morning,

Could I say that I find it extremely disappointing that, after 5 years and 5 months, the corium in the Tokyo Electric Power Company Holdings, Inc. Fukushima Dai ichi Unit 3 plant is still completely open to the earth's atmosphere?

Perhaps even worse, there is no publically announced plans for change.

Thank you,

Tom Gurdziel
Member, ASME
