Gentlemen:

The Atomic Energy Commission has sent to the Office of the Federal Register for filing and publication a notice concerning the availability of the environmental information you submitted regarding the Oconee Nuclear Station Units 1, 2, and 3. The notice also requests comments from State and local agencies concerned with this proceeding. A copy of the notice is enclosed for your information.

Your July 10, 1970 letter with environmental information has been forwarded to the Council on Environmental Quality and to appropriate Federal agencies for comment.

Sincerely,

Peter A. Morris, Director
Division of Reactor Licensing
