Hello Chris

This email is to notify you that we have received letter 16-075, dated August 24, 2016 which transmitted revision 20 of the site Physical protection Plan.

The cover letter will be placed into ADAMS and will be publically available. The enclosures will be withheld from the public.

Cost Activity Code (CAC) L33422 has been opened for this review

We expect to complete the review by the end of January, 2017, based on current workload.

If you have any questions, just ask.
