Mr. Oscar Paulson  
Kennecott Uranium Company  
Rawlins, WY

Oscar,

NRC staff is in receipt of your July 18, 2016 letter and the 2016 annual surety update. NRC staff has reviewed the annual surety and determined that it is acceptable for a technical review. If we have any questions or concerns during the technical review, we will provide a Request for Additional Information (RAI). NRC staff will complete its technical review within 30 days. If you have any questions, please contact me via email or by phone at (301) 415-6252.

Sincerely,

James Webb  
Project Manager
