Good morning Glenn:

Per our conversation, please forward the attached letter to the appropriate individuals at the U.S. Fish and Wildlife New Jersey Field Office. As a reminder, please copy me on that email and ask the assigned individual at the NJ Field office to contact me as soon as possible so that I may promptly provide any additional information they may need to advance the process. Again, the NRC is requesting concurrence.

Lastly, thank you again for your assistance in this matter.
