**ORDER**

The Bellefonte Efficiency & Sustainability Team/Mothers Against Tennessee River Radiation (BEST/MATRR) seeks an extension of time until September 13, 2016, to file a petition for leave to intervene on a license amendment request filed by the Tennessee Valley Authority (TVA). The NRC provided notice in the *Federal Register* of TVA's license amendment request on July 5, 2016 (81 Fed. Reg. 43,661), and that notice stipulated that all hearing requests are due by September 6, 2016.

After reviewing the request, I am granting BEST/MATRR an extension of time until September 13, 2016, to file an intervention petition on TVA's license amendment request.

This Order is issued under my authority in 10 C.F.R. § 2.346.

IT IS SO ORDERED.

For the Commission
