Director of FSME Attn: GLTS  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

Greetings,

This letter is to notify you that I have sent of a total of 6 (six) expired tritium exit signs to SRB Technologies, Inc. for proper disposal (NC Radioactive Materials License # 034-0534-2). I have attached an inventory list containing the following:

- Manufacture
- Model
- Serial Number
- Date of Manufacture
- Curies

These expired signs were installed at ACS Technical Products (formally American Chemical Service, Inc.) at 420 South Colfax Ave. Griffith, Indiana 46319.

I am also sending a letter identical to this notifying my state regulator per instructions given by SRB Technologies, Inc. If there are any questions regarding this please contact me at your convenience.

Sincerely,

Erik Johnson

*Safety Coordinator*
