Gentlemen:

SUBJECT: SCOPE AND OBJECTIVES FOR 1984 OCONEE EXERCISE
DOCKET NOS. 50-269, 50-270, AND 50-287

Thank you for providing the scope and objectives for the 1984 Oconee emergency preparedness exercise scheduled for June 21, 1984. The submittal appears to fulfill the minimum requirements for a small-scale exercise. We note that the annual medical and fire drills are scheduled to be held June 20, 1984, but that these are to be separate from the exercise. The staff is considering observing these activities, if time and schedules permit.

We will review the complete scenario when received and any additional comments that we may have on the details of the exercise will be transmitted to Mr. R. E. Harris of your staff by telephone.

If you should have further questions on this matter, please let me know.

Sincerely,

H. C. Dance, Chief
