Subject: [External_Sender] Request to ammend C188 and C198 SS&D

Hello Tomas,

I hope you have had a good summer.

Nordion is making some changes to our source labeling to better reflect our “new” company name. To that end, we are requesting amendment of the sealed source and device registrations for the C188 and C198 sources. Specifically we are changing the manufactures name on the label from MDSN (representing our former name MDS Nordion) to NORD. Please find attached a formal request and supporting information.

Regards,

Greg Fulford
