Rich,

No problem on the changes. I had been thinking about adding the word “planned” or “proposed” in front of “changes” anyway, so I’ll do so when I update the list of attendees.

Thanks,  
Mike

Mike,

My apologies for cycling you again, but I received additional comments.

Remove Alan Cox from the attendees

Insert “planned” in front of “changes” everywhere the document uses the phrase “changes to the IP2 and IP3 Service Water Integrity Program.” This will just make it clear that these are not changes that have already been made.

Thanks,

Rich

Rich,

Attached is a copy of the draft meeting notice for your review and comment. In particular, I wanted to get your feedback on the proposed agenda and list of attendees. I would appreciate it if I could get your feedback by noon tomorrow (9/14), but if you think you will need longer, please let me know.

Thanks,  
Mike
