Subject: [External_Sender] August 3, 2016 RAIs for RINSC
Date: Friday, September 09, 2016 1:08:17 PM

Good afternoon.

We are not able to provide these responses within 30 days of the date of the letter. We do have draft answers in hand but the RAIs require a complete renumbering of our RAIs which is very time consuming. We also have a NRC inspection the week of 9/12/2016 so will not be able to dedicate any time to this effort that week. With that in mind, we request an extension to 10/31/2016. This will account for any other issues that might pop up in our schedule so that there would be no need to request any additional extensions.

Thank you for your assistance.

Respectfully,

Cameron Goodwin
