SUBJECT: VOID LETTER CONCERNING APPLICATION FOR LICENSE AMENDMENT,
CONTROL NO. 590863

Dear Mr. Manly:

This concerns the subject application for an Amendment to your material license. During our conversation with your consultant, he indicated that the change of control was on hold due to a union dispute. The consultant also indicated that the transfer will not occur until after November 6, or possibly later. Therefore, you are hereby notified that this application for an amendment has been voided without prejudice. You may resubmit your request once the union dispute is completely settled and the transfer is no longer on hold.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

/RA/

Michelle Simmons, Health Physicist
Nuclear Materials Safety Branch B
