VOID SHEET

TO: License Fee and Accounts Receivable Branch
FROM: Region IV, DNMS, NMSB-B
SUBJECT: VOIDED NEW LICENSE APPLICATION OR VOIDED AMENDMENT REQUEST

Applicant: Maui Memorial Medical Center
License No.: 53-13519-01
Control No.: 03003561
Docket No.: 590863

Reason for Void: The licensee submitted a request for change of control. The request was placed on the NRC public website for 30 days. No objections were received from the public. However, when the license reviewer contacted the licensee's consultant (Ron Frick) to inquire if the name on the license would have to be changed also, the consultant indicated that the change of control was on hold due to a union dispute. The consultant indicated that the transfer will not occur until after November 6, or possibly later. This action will be voided. The licensee will resubmit the request once the union dispute is completely settled and the transfer is no longer on hold.
