Hi Michelle,

The new name of the organization will be "Maui Health System, A Kaiser Foundation Hospitals LLC" but the hospital will continue to do business under the name "Maui Memorial Medical Center". The transfer is currently on hold, and will not occur until after November 6, or possibly later. This is due to a settlement that was made with the union. We will notify you when we hear a definite date for the transfer. Please let us know how we should proceed.

Thank you,

Ron Frick

Mr. Frick,

I am almost ready to issue to change of control amendment for Maui Memorial Medical Center. I have a question. Is the name on the license changing? If so, how should it now read? Thank you.
