Washington, DC 20555-0001

SUBJECT:
Three Mile Island Nuclear Station, Unit 2
Docket No. 50-320, License No. DPR-73
Notice of Transfer of Transmission Assets

By letter dated June 19, 2015 (Accession No. ML15170A327), GPU Nuclear notified the Nuclear Regulatory Commission (NRC) of the intent to transfer transmission assets of the Metropolitan Edison Company (Met Ed), Jersey Central Power & Light Company (JCP&L), and Pennsylvania Electric Company (Penelec), to Mid-Atlantic Interstate Transmission, LLC (MAIT), a newly-formed affiliated company. Met Ed, JCP&L, and Penelec are the owners of Three Mile Island Nuclear Station, Unit 2. Met Ed, JCP&L, and Penelec are wholly-owned subsidiaries of FirstEnergy Corp. (FE).

On September 8, 2016, FE notified the New Jersey Board of Public Utilities that it was withdrawing its petition to transfer the transmission assets of JCP&L to MAIT. JCP&L will retain ownership of its transmission assets.

There are no regulatory commitments contained in this letter. If there are any questions or if additional information is required, please contact Mr. Thomas A. Lentz, Manager - FirstEnergy Nuclear Operating Company Fleet Licensing, at (330) 315-6810.

Sincerely,

A handwritten signature in black ink, appearing to read "Gregory H. Halnon".
