**NOTICE**

This message is intended only for the use of the individual or entity to which it is addressed and may contain information that is privileged, confidential, or exempt from disclosure under applicable law. If the reader of this message is not the intended recipient or the employee responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you received this communication in error, please notify the sender immediately by telephone and return the original to the above address, by U.S. Mail. Thank You.

The following additional information is needed to review your request.

1. Your NRC license authorizes you for 9 Troxler moisture/density (m/d) gauges, however, your transfer records shows only 6 m/d gauges were transferred. Please verify how many Troxler m/d you possessed under your NRC license and the radionuclides used in these gauges. For example, we only possessed and used 6 Troxler moisture/density gauges containing sealed americium-241 and cesium-137 sources.
2. Please provide a copy of the radioactive materials license for the Troxler – Chicago Office where your Troxler m/d gauges were transferred on 8/15/2016.
3. Please provide a copy of the leak test results that were current when your 6 Troxler m/d gauges were transferred to the Troxler-Chicago Office on 8/15/2016.

Please send a facsimile (630- 515-1078) of your response to the above within 7 days and state, Response to Control 591806. Please include a cover letter on company letterhead, dated and signed (signed by an individual who is authorized to sign official documents on behalf of the licensee) with your response letter. Please call me at 630-829-9839 if you have any questions.

*In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this facsimile and the attached documents will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).*
