Dear Nuclear Regulatory Commission:

I am writing to you in regards to the pending sale of Entergy's Fitzpatrick nuclear power plant in Oswego, NY to Exelon. I strongly support the finalization of this sale. Exelon has modeled themselves as excellent operators with exemplary technology and safety processes, and solid community participants. I would urge you to approve this sale for the creation of safe, carbon free power in New York State. Thank you for your consideration.

Best Regards,

*Robert A. Rolfe*
