SUBJECT: Notification of Change in Senior Management, USNRC Materials Licenses
19-23344-01 and 19-23344-02

License No. 19-23344-01 03020775
19-23344-02 03032810

REC'D 1091916AM1028

Dear Sir or Madam:

Enclosed is an organizational chart depicting the senior leadership at the Uniformed Services University of the Health Sciences (USU). The applicable paragraph from U.S. Nuclear Regulatory License Number 19-23344-01 application dated, 20 July 2015, is as follows:

7.1 Senior Management

An organizational chart of the University is attached (enclosure 7-1). Senior management of the Uniformed Services University of The Health Sciences consists of the University President, Senior Vice Presidents, Vice Presidents, and Deans. The Radiation Safety Office staff is under the Director for Environmental Health and Occupational Safety (EHS). EHS has direct access to the University President, USU through the Vice President, Finance and Administration. Management review of the Radiation Safety Program is integrated into the membership of the Radiation Safety Committee. The Chief of Staff to the University President (PRS) and the Director, EHS are both permanent voting members of the committee.

Charles L. Rice, MD, resigned as the University President effective 22 July 2016. Richard W. Thomas, MD, DDS, is the new University President effective 25 July 2016. There has been no further change to the senior leadership.

If you have questions, please contact Major Kimberly Alston, RSO at (301) 295-3390.

Sincerely,

Richard W. Thomas, MD, DDS
President

This is to acknowledge receipt of your: Letter and/or Application Dated: 6 September 2016

The initial processing, which included an administrative review, has been performed. *Notifications*

Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
