Date: 09/21/2016

License No. SMB-141

Docket No.: 04006394

Mail Control/Report No. 591638

Licensee Name: U.S. Dept of Army, Research

Participant(s) Name/Title: Patrick Marine/ Director of Laboratory Operations

Work Telephone No. 410-278-5699

NRC Representative Name/Title: Scott Wilson/RI Health Physicist

Subject: Request for Additional Information; License Amendment Request; MC591638

Discussion: In coordination with Betsy Ullrich, I contacted the licensee to verify the address on the license. Since the address on the current license was not the same address provided in the amendment request letter (NRC Form 313), I contacted Mr. Marine to verify the mailing address for the license. He informed me that Ms. Kines office (the Program Director) was located at the Adelphi Laboratory Complex and requested that correspondence be sent to that address. He also informed me that the Army Research Laboratory has two NRC licenses and that the other license (License No. 19-12056-02) has the Adelphi mailing address on it. He requested that this license be amended to update the address to the Adelphi address as shown on the Form 313 so that correspondence regarding the license will be sent directly to Ms. Kines office. He is aware that the RSO will be copied on correspondence regarding the license.

Action Required: Save this document in ADAMS. Update license accordingly.
