Gentlemen:

I am pleased to advise the NRC of the following changes that we made in our nuclear organization which are effective November 1, 1990.

Mike Tuckman has been elected Vice President-Nuclear Operations by the Duke Power Board of Directors. Mike has assumed day to day responsibility for the operation of our three nuclear stations. All NRC correspondence should be addressed to him.

I have been elected Senior Vice President-Nuclear and will be responsible for the strategic direction of our company's nuclear program.

Very truly yours,

Hal B. Tucker
