Re: RAM 13-26246-01MD Amendment Request to Change RSO

Dear Sirs:

We are requesting an amendment to our RAM License 13-26246-01MD adding Matthew Broshears, RPh as RSO. Matthew has worked as ANP since 5/15/1995 in our Evansville, IN location. Matthew has been active in the radiation safety program.

Should you need any addition information please contact me at 678-333-5896, or by email rvansant@pharmalogic.info

Thank you

Tammy,

I am about to start a call with a different licensee. And this came. I am not expecting this, have not spoken with the guy, he just sent it to me out of the blue. So it does not need to be assigned to me necessarily.

Please process it in as an amendment as licensee requests. Thanks, have to run for other call. Thanks so much!
