TRAINING: No

REMARKS: IP 43006, "Inspection of Implementation of Mitigation Strategies Order Regarding the Use of National Safer Response Centers," is an initial issuance. This inspection procedure has been created to verify licensee's implementation of NRC Order EA-12-049, as it pertains to the Phase 3 implementation plan for off-site support during a beyond-design-basis emergency

IP 65001.17, "Inspection of ITAAC-Related Security Structures, Systems, and Components," has been revised to change the sampling process required to ensure the objectives of this procedure are met.

IP 81000.09, "Cyber Security Inspection for Construction," is an initial issuance. Researched commitments for the last four years and found none.
