JAN 12 1989

✓ Duke Power Company  
ATTN: Mr. H. B. Tucker, Vice President  
Nuclear Production Department  
422 South Church Street  
Charlotte, NC 28242

Gentlemen:

SUBJECT: NRC REPORT NOS. 50-269/88-17, 50-270/88-17, AND 50-287/88-17

Thank you for your response of December 16, 1988 to our Notice of Violation, issued on November 10, 1988, concerning activities conducted at your Oconee facility. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201.

After careful review of your denial of Violation 50-269, 270, 287/88-17-02, we have elected to accept your denial and will remove the violation from our records. We are still concerned about how "prompt" your corrective actions were for the examples cited, but we agree that the problems had been recognized and priorities had been established. We will examine the implementation of your corrective actions for the other violation during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

*/s/*

Albert F. Gibson, Director  
Division of Reactor Safety
