Dear Mr. Zehner:

It has come to our attention that NRC License Number 13-35179-03 contained an error when the license was issued on April 27, 2016. Specifically, we incorrectly marked the new license as "Official Use Only – Security Related Information." After further review, we determined that the information contained in the license did not meet the criteria which would require that the license be protected.

We apologize for any inconvenience this may have caused you.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin G. Null".
