Re: Nuclear Gauge- Docket 03034199

Dear Mr. Null:

As we informed you earlier that we are not using the above Nuclear Gauge and would like to terminate our license. We have given the above gauge to Hangel & Associates Engineers whose license number is 21-32321-01. We had only one gauge.

Thanks for your help in this matter. If you have any questions, please call.

Very truly yours,

**ENGINEERING SERVICES, INC.**

I called him and answered his question. He does not need any forms, and I told him that we can't terminate his license until he disposes of gauges.

Did you mail that action to me?
