Dear Sir:

With regard to my letter of August 27, 1980 which submitted Duke Power Company's response to IE Bulletin 80-15 relative to the Oconee Nuclear Station, the signed affidavit requested by the Bulletin was inadvertently left out of the submittal. Please find attached the requested affidavit, which is submitted as a supplement to my August 27 letter. It should be noted that the information provided in the previous submittal remains valid.

Very truly yours,

William O. Parker, Jr.
