SUBJECT: VOIDANCE OF YOUR REQUEST FOR AMENDED LICENSE, MAIL CONTROL
NO. 591637

Dear Mr. Kempinski:

This concerns your request for an amended license dated July 22, 2016. Because your Radiation Safety Officer (RSO), Ms. Kelly Sciole, informed us on September 12, 2016, that you have request to add this facility and use (QC Lab for research use) to your research license (07-16199-01), we have voided your request for the medical license. Per your RSO, we understand that you will submit a request to add clinical research use in this lab at a later date, with the supporting documentation.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). Thank you for your cooperation.

Sincerely,

/RA/
