Re: Amendment Request  
License # 21-04081-03

Dear Sir/Madam,

We respectfully request to amend the existing radioactive materials license 21-04081-03 to add Theragenics I-Seed Model AgX100 I-125 sealed source (NR-0645-S-102-S) for the use of manual brachytherapy.

Please address all questions related to this application to Mark Yudelev, Ph.D., Chief Medical Physicist: McLaren Health Care-Macomb, 1080 Harrington Blvd., Mt. Clemens, MI 48043. Phone 586 493-7510. E-mail: [mark.yudelev@mclaren.org](mailto:mark.yudelev@mclaren.org).

Sincerely,
