Dennis . I talked to Evan and agree that we can make the changes you suggest to complete the licensing action for East Hartford. Also we are looking into the bond address.

Mr. Sullivan,

I also forgot to discuss the Surety Bond for this facility. During an audit, it was discovered that the address for the East Harford, CT location had the improper address on the Surety Bond. It lists the street address as East Hartland Court instead of East Hartland Street.

This need to be fixed. After reviewing the license, please call to discuss the financial assurance issue also.

Thanks,

Dennis Lawyer
