

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

December 9, 2016

MEMORANDUM TO: Those on the Attached List

FROM: Marc L. Dapas, Director */RA John Tappert for/*  
Office of Nuclear Material Safety  
and Safeguards

SUBJECT: REQUEST FOR COMMENTS ON MANAGEMENT DIRECTIVE 5.10  
AND THE OFFICE OF NUCLEAR MATERIAL SAFETY AND  
SAFEGUARDS SELF-ASSESSMENTS-111, "FORMAL  
QUALIFICATIONS FOR INTEGRATED MATERIALS PERFORMANCE  
EVALUATION PROGRAM TEAM MEMBERS AND TEAM LEADERS"

Provided for your review and comment is revised Management Directive (MD) 5.10 and Nuclear Material Safety and Safeguards (NMSS) Procedure SA-111. This revision reflects changes resulting from Self-Assessments of the Integrated Materials Performance Evaluation Program process, security policies and the revised Inspection Manual Chapter 1248, "Formal Qualifications Program for Federal and State Material and Environmental Management Programs." In addition, please note that Handbook 5.10 has been replaced by SA-111 in order for revisions to be made more easily and frequently.

Please provide your comments to Michelle Beardsley, [michelle.beardsley@nrc.gov](mailto:michelle.beardsley@nrc.gov), on MD 5.10 and SA-111 by January 9, 2017. The Office of the General Counsel should include in its comments a determination whether, in accordance with the Congressional Review Act, this MD is a rule and must be reviewed by the Office of Management and Budget.

MD 5.10 and SA-111 will also be enclosed in a State and Tribal Communication letter and provided to the Agreement States for their review and comment. After considering and incorporating comments, as appropriate, the Director of NMSS will approve issuance of the MD pursuant to delegated authority under MD 1.1, Section III.E.

Enclosures:

1. MD 5.10
2. NMSS SA-111
