Dear Mr. Parr:

Your letter dated September 4, 1975 transmitted the results of the Regulatory Staff's evaluation of the Westinghouse Protection System Noise Tests Report, which was submitted in support of our application. Your letter asked that we inform you of our schedule for responding to the Regulatory Staff's concerns.

We wish to meet with you at your earliest convenience to review the test report, to deal with questions raised by the Regulatory Staff, and to consider what additional testing would be required.

Very truly yours,
