

October 28, 1969

Thomas W. Laughlin, Chief
Document Management Branch
TIE, OROO

DISTRIBUTION OF ENVIRONMENTAL MONITORING REPORTS

This confirms our telephone conversation of October 17, 1969, at which time you agreed to send hard copies of Environmental Monitoring Reports to the field public document rooms (SAN and LA). The following are the dockets involved and addresses to which the material should be sent:

DOCKETS (SAN PDR)

- 50-18 (GE-VBWR)
- 50-133 (PG&E-Humboldt)
- 50-183 (GE-EVESR)
- 50-206 (SCE-San Onofre)
- 50-275 (PG&E-Diablo Canyon I)
- 50-312 (SMUD - Rancho Seco)
- 50-323 (PG&E - Diablo Canyon II)

U. S. Atomic Energy Commission
San Francisco Operations Office
2111 Bancroft Way
Berkeley, California 94704

Attention: Mr. Dale J. Cook
Assistant to Manager
Public Information
Office

DOCKETS (LA PDR)

- 50-206 (SCE - San Onofre)
- 50-275 (PG&E - Diablo Canyon I)
- 50-323 (PG&E - Diablo Canyon II)

ADDRESS

U. S. Atomic Energy Commission
Federal Building
Room 7042
300 North Los Angeles Street
Los Angeles, California 90012

You will be advised when additional dockets are added to the aforementioned categories and when there are established cases for the New York Public Document Room that are required to submit environmental monitoring reports.
