Gentlemen,

Due to the emergency power shortage  
in California we feel that all you can do to  
make available the use of the Diablo Canyon  
nuclear power plant that is <sup>in</sup> reserve the farmers  
are in great need of water for irrigation to  
grow food eec. ecc. —

The San Joaquin Valley in all walks of  
life, will be severely hurt with lack of  
Electricity, this coming summer, if you  
don't authorize Diablo Canyon Nuclear  
Power plant. Please keep us.

Thanking you,  
Mrs. Ellen Braden
